Subject: Identity theft suggestion

Task Force people:

My suggestion concerns punishment of the thieves. After they are convicted, the only positive punishment not

causing more costs to the taxpayers is to strip the thieves of their citizenship. Then transport them to the nearest

foreign country that cannot say "No!" and forget about them.

Like with illegal immigrants, severe punishment, without overly burdening the taxpayers should be meted out once

the thieves are proven guilty. We don't need to waste a lot of time and money trying to rehab these people. Just

get rid of them. Well, that's my suggestion. Let's do it!

Thanks,
